

Domaine de la Curnière

Domaine de la Curnière was established in 1789, at the dawn of the French Revolution. The Rame family, from Vacqueyras, decided to plant vines in place named 'La Curnière'. Located on sunny slopes in Vacqueyras, the vineyard benefits from an outstanding terroir. Over two centuries later, the Rame's family passion for winegrowing remains intact. They perpetuate expertise handed down from generations to produce a fruity, authentic wine.
