PRESENTATION

Our Grands Vins Créations combine the art and the magic of wine... These rare cuvées come from our finest plots and only in the best vintages. They reflect our experience and our passion. Our Création du Cru Beaumes de Venise epitomizes the elegance of our terroir with class and distinction.

TERROIR

This cuvée is a historic blend from the Cave des Vignerons de Beaumes de Venise. It consists of wines from selected plots of zaffer, silt and clay, and limestone soil.

WINEMAKING

The grapes are picked when perfectly ripe and handled with the greatest of care - destemmed, crushed, put into vat, and maintained at a carefully controlled temperature. Fermentation focuses on bringing out ripe fruit and spicy aromas. Rack and return, as well as regular aeration of the must during fermentation, are responsible for smooth, silky tannin.

VARIETALS

Grenache, Syrah

SERVING
