

Domaine des Capes, AOC Gigondas, Rouge, 2018

AOC Gigondas, Vallée du Rhône, France

PRESENTATION

Owned by the Daniel family since 1753, the estate is located in the Dentelles de Montmirail at an altitude of 300 metres. The vineyard has a fine terroir that protects the vines from disease and guarantees pure, natural wine. The Daniel family knows a thing or two about viticulture since they have been growing vines for generations. Their wine is powerful and generous.

TERROIR

This Gigondas is grown on clay-limestone soil that accounts for its personnality.

The wine is then aged for 8-10 months to add aromatic complexity and intensity.

REVIEWS AND AWARDS

15,5/20

"Tasted blind. Bramble fruit that is slightly beset by a little reductive compression on the nose, but has much better expression on the palate. Simple, balanced palate with moderate length. More fruit than spice."

Richard Hemming, Jancis Robinson

90-92

"Limpid violet color. A highly perfumed bouquet evokes ripe blue fruits, baking spices and candied flowers. Chewy and sharply delineated on the palate, offering bitter cherry and blueberry flavors that slowly unfurl through the mid-palate. Turns sweeter on the long, penetrating finish, which features rounded tannins and resonating florality."

Josh Raynolds, Vinous
