AOC Côtes du Rhône Villages Vaison la Romaine, Vallée du Rhône, France

PRESENTATION

Bringing together 388 artisan winegrowers family in the heart of the Dentelles de Montmirail, Rhonéa produces a wine from one of the richest winegrowing terroirs in the Rhone, called Daronton, the name of the family who first planted the vineyard three generations ago. Formed by ice volcanoes 60 million years ago, the Dentelles de Montmirail comprise a patchwork of evaporate, blue clay, and limestone that give the wines a powerful, elegant, and deep flavour profile.
