PRESENTATION

Grenache and Syrah reveal an impressive aromatic complexity between red fruits, cocoa and liquorice as well as concentrated tannins.

THE VINTAGE

Spring was particularly rainy, then followed by a hot summer which favored the maturity of the grapes, moreover thanks to some rains in August, a good phenolic maturity. An Indian summer allowed the 2018 vintage to count among the great!

LOCATION

Average age of the vines : 35 years.
Altitude of the Vineyard : 250 mètres.

TERROIR

Located north of the village of Lafare, the terroir des Farisiens consists primarily of Oxfordian black marl dating from the Upper Jurassic period (140-150 million years B.C.). Centuries of erosion formed hills (mostly facing east and southeast) at the foot of the Dentelles de Montmirail, guaranteeing outstanding sun exposure as well as shelter from the mistral. Wines from this terroir have a dark colour and ripe fruit aromas.

REVIEWS AND AWARDS

91/100

"From compact gray clay soils said to resemble those of Gigondas at 250–300 meters above sea level, the 2018 Beaumes de Venise is floral and spicy on the nose, then delivers purple raspberries and dark chocolate on the palate. Full-bodied and dense, it finishes velvety and warm."

"Juicy red and black cherry puree notes are flanked by singed alder and backed by tobacco and tar on the finish. A light perfumery hint chimes in at the very end."
