

Terroir Daronton, AOC Beaumes de Venise, Rouge, 2018

AOC Beaumes de Venise, Vallée du Rhône, France

PRESENTATION

Bringing together 388 artisan winegrowers family in the heart of the Dentelles de Montmirail, Rhonéa produces a wine from one of the richest winegrowing terroirs in the Rhone, called Daronton, the name of the family who first planted the vineyard three generations ago. Formed by ice volcanoes 60 million years ago, the Dentelles de Montmirail comprise a patchwork of evaporate, blue clay, and limestone that give the wines a powerful, elegant, and deep flavour profile. The layers of sediment found several kilometres down rise to the surface here to form a terroir unlike any other in the world.

TERROIR

The soil consists of marl, gypsum, and a layer from the Triassic Period a type of terroir that exists only in the Rhône Valley. The vines produce elegant, classy red wines on soil that is rich in trace elements and not very stony.
