

Terroir Daronton, Vin de France - Sans Alcool, Rosé, 2024

Vin de France, VSIG, France

PRESENTATION

As trusted signature of Rhône Valley wines, Terroir Daronton is also the answer for consumers seeking for the taste of wine, without the alcohol.

THE VINTAGE

2024 has been full of weather challenges. Spring brought disease pressure, summer droughts reduced yields, and heavy rains in September added to the difficulties. Even so, the great quality of the wines reflects the skill, dedication, and great adaptability of our Artisans winegrowers and winemakers.

WINEMAKING

Grapes are harvested at optimum maturity & vinified like a classic red wine. Dealcoholization is carried out at the end of fermentation through cold distillation. This process allows us to preserve the colour and aromas of the wine.

Contains sulphites.

SERVING

Enjoy chilled (10-12°C) and keep 3 days max in the fridge. To be opened within the year to best enjoy its fruity aromas
