

Rhonéa - Nos Villages - Les Mascarons, AOC Côtes du Rhône Villages Séguret, Rouge, 2024

AOC Côtes du Rhône Villages Séguret, Vallée du Rhône, France

PRESENTATION

Perched on its hillside, with its Mascarons fountain and beautiful paved streets, Séguret is undoubtedly one of the most beautiful Provencal villages. Like him, his wines are sunny and delicious. They are even more precisely as greedy and round as the face of the mascarons of the fountain ...

THE VINTAGE

2024 has been full of weather challenges. Spring brought disease pressure, summer droughts reduced yields, and heavy rains in September added to the difficulties. Even so, the great quality of the wines reflects the skill, dedication, and great adaptability of our Artisans winegrowers and winemakers.

TERROIR

Terroir of clay-limestone marls.

IN THE VINEYARD

From the stony terraces, the vines are 25 to 60 years old for the oldest.

WINEMAKING

Destemming and vatting for 20 days in concrete tanks. Fermentation is followed by daily tastings, pumping over and partial load shedding. At the end of fermentation, operations are stopped to preserve the fruit and the freshness of the wine. The juice is then aged on fine lees to provide greediness and structure.

VARIETALS

Grenache 70%, Syrah 15%, Carignan 15%

Contains sulphites.

SERVING

14-16°C

TASTING

Rich and gourmet, the southernmost of the range, like the chubby faces of the mascarons of the village fountain! Structured body, greedy and ripe or even candied red fruits, mocha notes. Ready to drink young.
