

Terroir Daronton, Côtes du Rhône Villages, Red, 2023

AOC Côtes du Rhône Villages, Vallée du Rhône, France

PRESENTATION

Originating from 13 names... those of the thirteen founders who came together and gathered a team of expert winemakers to create a trusted signature for Rhone Valley wines. As a tribute to their work, the name DARONTON was born from a blend of parts of their names.

THE VINTAGE

2023 was a year full of contrasts: warm temperatures at the end of December and beginning of January raised concerns about early budding; a return to normalcy continued until February with relatively cool weather; a persistent drought accompanied by a strong Mistral wind, followed by regular rainfall until the end of June. Thanks to constant vigilance in the vineyards, the berries were healthy and well-ripened when harvest started, promising one of the finest vintages of the past decade.

TERROIR

The vines take root on terraces and plains composed of alluvial deposits.

WINEMAKING

Traditional with a vatting period of about 15 days. Control of the vinification temperature between 28 and 30°C

VARIETALS

Grenache noir, Syrah

TASTING

The nose is fresh, combining notes of blackcurrant and crisp red berries. The mouth is ample with melted tannins. The whole is balanced and greedy.
