

## Terroir Daronton - Vacqueyras, BIO, Red, 2023

AOC Vacqueyras, Vallée du Rhône, France

### PRESENTATION

Originating from 13 names... those of the thirteen founders who came together and gathered a team of expert winemakers to create a trusted signature for Rhone Valley wines. As a tribute to their work, the name DARONTON was born from a blend of parts of their names.

Our "Organic" wines specifically highlight our Winemaker Artisans who are certified "Organic Farming".

### THE VINTAGE

2023 was a year full of contrasts: warm temperatures at the end of December and beginning of January raised concerns about early budding; a return to normalcy continued until February with relatively cool weather; a persistent drought accompanied by a strong Mistral wind, followed by regular rainfall until the end of June. Thanks to constant vigilance in the vineyards, the berries were healthy and well-ripened when harvest started, promising one of the finest vintages of the past decade.
