

Terroir Daronton, Vin de France - 6%, Red, 2024

France

PRESENTATION

As trusted signature of Rhône Valley wines, Terroir Daronton is also the answer for consumers seeking for the taste of wine, with less alcohol.

THE VINTAGE

2024 has been full of weather challenges. Spring brought disease pressure, summer droughts reduced yields, and heavy rains in September added to the difficulties. Even so, the great quality of the wines reflects the skill, dedication, and great adaptability of our Artisans winegrowers and winemakers.

WINEMAKING

Grapes are harvested at optimum maturity and vinified in the same way as for a classic red wine. Partial dealcoholization is carried out at the end of fermentation through cold distillation. This process allows us to preserve the structure and fruitiness of the wine.

VARIETALS

Merlot, Syrah, Grenache noir

Contains sulphites.

SERVING

A wine to be enjoyed chilled (12-14°C) and keep 3 days in the fridge. Best opened within the year to enjoy its fruity aromas
