

Rhonéa - Notre Signature, V.I.V.R.E Grenache, Vin de France, Red, 2024

Vin de France, VSIG, France

PRESENTATION

V.I.V.R.E (Vignerons Investis en Viticulture Respectueuse de l'Environnement): Winegrowers committed to Environmental-friendly Viticulture. We, Artisans Winegrowers for 3 to 4 generations, have chosen to encapsulate in these 5 letters the Rhonéa philosophy: a collective commitment to sustainable viticulture that preserves our terroirs and ensures the continuity of our activity.

THE VINTAGE

2024 has been full of weather challenges. Spring brought disease pressure, summer droughts reduced yields, and heavy rains in September added to the difficulties. Even so, the great quality of the wines reflects the skill, dedication, and great adaptability of our Artisans winegrowers and winemakers.

WINEMAKING

2024 was a standout vintage for Grenache. The berries were loosely packed, exceptionally ripe, and in excellent sanitary condition. Manual harvest took place late, at full phenolic maturity. A 21-day maceration was conducted with the objective of maximizing the extraction of concentrated red fruit and spice compounds, while maintaining precision and balance. No ageing.

No ageing was applied, in order to preserve the wine's primary aromatic profile and emphasize freshness and varietal purity.
