

Terroir Daronton, Vin de France - 6% White, 2024

Vin de France, VSIG, France

PRESENTATION

A trusted signature of Rhône Valley wines, Terroir Daronton also caters to consumers seeking for the taste of wine with less alcohol.

THE VINTAGE

2024 has been full of weather challenges. Spring brought disease pressure, summer droughts reduced yields, and heavy rains in September added to the difficulties. Even so, the great quality of the wines reflects the skill, dedication, and great adaptability of our Artisans winegrowers and winemakers.

WINEMAKING

Grapes are harvested at optimum maturity and vinified in the same way as for a classic white wine. Partial dealcoholization is carried out at the end of fermentation through cold distillation. This process allows us to preserve the structure and fruitiness of the wine.

VARIETALS

Colombard, Ugni blanc, Grenache blanc

Contains sulphites.

SERVING

A wine to be enjoyed chilled (10-12°C). To be kept 3 days in the fridge after opening and tasted within the year to best enjoy its fruity aromas

TASTING

Refreshing citrus notes on the nose and in the mouth. Well-balanced and vibrant!

FOOD PAIRINGS

Enjoy on its own or with various salads, grilled meats and vegetables, pies and cheeses...
