

# N°4 - Vin Orange

Vin de France, France

#### **PRESENTATION**

In reference to the "4th colour of wine", our Orange wine N°4 highlights the artist's work that the creation of this particular cuvée made from a maceration of white grape varieties requires. Part of the blend is aged in amphora, respecting a traditional practice coming from Georgia. Complex and original, this rare wine will surprise you with its orange peel and roasted notes.

## **TERROIR**

The vines are located around the villages of Beaumes de Venise & Vacqueyras

### WINEMAKING

Grapes are destemmed and crushed then vinified like a red wine, with maceration of the berries. Alcoholic fermentation at controlled temperature for a slow and regular extraction of aromas and tannins. Malolactic fermentation occurs after a maceration period and a 3-week long vatting.

## **AGEING**

Part of the blend is agend in an amphora for a few months to soften tannins and develop complex aromas.

## **VARIETALS**

Contains sulphites.

Sauvignon 40%, Chardonnay 25%, Muscat blanc à petits grains 25%, Grenache blanc 10%

## SERVING
