

Terroir Daronton - 11.5% - AOC Côtes du Rhône, Rouge, 2023

AOC Côtes du Rhône, Vallée du Rhône, France

Low alcohol by Daronton

PRESENTATION

“Originating from 13 names... those of the thirteen founders who came together and gathered a team of expert winemakers to create a trusted signature for Rhone Valley wines. As a tribute to their work, the name DARONTON was born from a blend of parts of their names.”

THE VINTAGE

2023 was a year full of contrasts: warm temperatures at the end of December and beginning of January raised concerns about early budding; a return to normalcy continued until February with relatively cool weather; a persistent drought accompanied by a strong Mistral wind, followed by regular rainfall until the end of June. Thanks to constant vigilance in the vineyards, the berries were healthy and well-ripened when harvest started, promising one of the finest vintages of the past decade.

TERROIR

Soil of pebbles and limestone on south-east facing slopes.

WINEMAKING

Pre-fermentation maceration at high temperature. Vatting for 12 to 15 days with punching down. Temperature control for a soft extraction, on the fruit. De-alcoholization is done on a part of the juices, by cold distillation, to preserve the fruit and structure of the wine.

Grenache, Carignan, Syrah
