

## Terroir Daronton, Vin de France, - 6% Rosé, 2024

Vin de France, VSIG, France

### PRESENTATION

As trusted signature of Rhône Valley wines, Terroir Daronton is also the answer for consumers seeking for the taste of wine, with less alcohol.

### THE VINTAGE

2024 has been full of weather challenges. Spring brought disease pressure, summer droughts reduced yields, and heavy rains in September added to the difficulties. Even so, the great quality of the wines reflects the skill, dedication, and great adaptability of our Artisans winegrowers and winemakers.

### WINEMAKING

Grapes are harvested at optimum maturity & vinified like a classic red wine. Dealcoholization is carried out at the end of fermentation through cold distillation. This process allows us to preserve the colour and aromas of the wine.

### VARIETALS

Caladoc, Grenache noir, Cinsault

Contains sulphites.

### SERVING

A wine to be enjoyed chilled (10-12°C) and kept 3 days in the fridge after opening. Taste it within the year to best enjoy its fruity aromas.

### TASTING

A fresh and tangy rosé with citrus and red fruit notes.

### FOOD PAIRINGS

On its own, with BBQ ribs, Caesar salad, cheeses...
