

Rhonéa, Carte Blanche 6% Red, 2024

Vin de France, VSIG, France

PRESENTATION

We crafted a truly unique wine from our iconic grape varieties. Expertly vinified then gently distilled at low temperatures to reduce the alcohol while preserving its aromas. Discover our lighter, vision of wine without compromise on the taste!

THE VINTAGE

2024 has been full of weather challenges. Spring brought disease pressure, summer droughts reduced yields, and heavy rains in September added to the difficulties. Even so, the great quality of the wines reflects the skill, dedication, and great adaptability of our Artisans winegrowers and winemakers.

WINEMAKING

Our process begins with a classic blend of our southern French varietals—mainly Merlot and Syrah, supported by Grenache, Caladoc, and Cabernet Sauvignon. The wine is vinified using traditional winemaking methods to ensure full aromatic expression and structure. Once fermentation is complete, the wine is gently dealcoholized using cold vacuum distillation—a method that involves no external additives and preserves both the integrity of the fruit and the mouthfeel of the wine. Every stage of production is carried out entirely in-house, under the strict supervision of our winemaking team. This end-to-end control ensures traceability, product consistency, and high-quality standards.

Contains sulphites.

SERVING

Best enjoyed lightly chilled (12–14°C). Once opened, keep refrigerated and consume within 3 days. To fully appreciate its fresh, fruit-driven profile, the wine is best consumed within the year following bottling. Storage should not exceed 2 years, in a cool, dark place.

TASTING

Bright red color, fruity aromas and a smooth palate with notes of ripe red fruits.

FOOD PAIRINGS

Gourmet cheeseburger with bacon and aged cheddar, meatloaf served with mashed potatoes.
