

Rhonéa - La Croisée des Chemins, Côtes du Rhône Villages, Red, 2023

AOC Côtes du Rhône Villages, Vallée du Rhône, France

PRESENTATION

RHONÉA, as the name suggests, is the trusted choice for Rhône Valley wines. Our Artisans winegrowers & winemakers have been committed since 1925 to bring you the best from our vineyards & let you taste more than just wine, but the quality & authenticity of our terroirs.

THE VINTAGE

2023 was a year full of contrasts: warm temperatures at the end of December and beginning of January raised concerns about early budding; a return to normalcy continued until February with relatively cool weather; a persistent drought accompanied by a strong Mistral wind, followed by regular rainfall until the end of June. Thanks to constant vigilance in the vineyards, the berries were healthy and well-ripened when harvest started, promising one of the finest vintages of the past decade.

TERROIR

Sandy soils from the Miocene period and gravels from the foothills of the Dentelles de Montmirail for a perfect balance between freshness, roundness and structure.
