

# N°4 - Vin Orange 2024

Vin de France, France

#### **PRESENTATION**

In reference to the "4th colour of wine", our Orange wine N°4 highlights the artist's work that the creation of this particular cuvée made from a maceration of white grape varieties requires. Part of the blend is aged in amphora, respecting a traditional practice coming from Georgia. Complex and original, this rare wine will surprise you with its orange peel and roasted notes.

#### **TERROIR**

The vines are located around the villages of Beaumes de Venise & Vacqueyras

## WINEMAKING

Grapes are destemmed and crushed then vinified like a red wine, with maceration of the berries. Alcoholic fermentation at controlled temperature for a slow and regular extraction of aromas and tannins. Malolactic fermentation occurs after a maceration period and a 3-week long vatting.

#### **AGEING**

Part of the blend is agend in an amphora for a few months to soften tannins and develop complex aromas.

## VARIETALS

Grenache blanc, Vermentino, Viognier

Contains sulphites.
