

Terroir Daronton - 6% - Vin de France, Rouge, 2023

France

Lightness has a name: Daronton!

PRESENTATION

"Originating from 13 names... those of the thirteen founders who came together and gathered a team of expert winemakers to create a trusted signature for Rhone Valley wines. As a tribute to their work, the name DARONTON was born from a blend of parts of their names."

IN THE VINEYARD

To produce this partially dealcoholized wine, our cellar masters have selected a blend made from the typical grape varieties of the Rhône Valley, with a beautiful structure and balanced aromas.

WINEMAKING

Dealcoholization is carried out at the end of fermentation through cold distillation, without adding any external elements, to preserve the structure and fruitiness of the wine as much as possible.

6 % VOL.

Contains sulphites.

SERVING

A wine to be enjoyed well-chilled (12-14°C) and consumed within the year to best enjoy its fruity aromas

FOOD PAIRINGS

The ideal companion for appetizers and convivial moments where both taste and lightness are desired! With its very light alcohol content, it pairs perfectly with tapas, Italian cuisine, grilled vegetables, or a selection of cured meats.
