

Paradoxe, Blanc de Noirs, Vin de France, White, 2024

Vin de France, VSIG, France

PRESENTATION

This Blanc de Noirs is a deliciously mastered 'Paradox,' as it uses grape varieties traditionally meant for red wine production, which our winemakers have skillfully vinified as a white. This allows to produce a wine with a complex and broader aromatic palette than what is typically found in traditional white wines.

THE VINTAGE

2024 has been full of weather challenges. Spring brought disease pressure, summer droughts reduced yields, and heavy rains in September added to the difficulties. Even so, the great quality of the wines reflects the skill, dedication, and great adaptability of our Artisans winegrowers and winemakers.

WINEMAKING

Night harvest of the three grape varieties simultaneously, in early September, with potential alcohol levels between 12° and 13°. The grapes are immediately cooled to 7-8°C, then pressed within an hour to minimize contact between the skins and the juice. After racking, the wines are aged on fine lees.

VARIETALS

Caladoc, Grenache noir, Cinsault

Contains sulphites.

SERVING

10-12°C

TASTING

The uniqueness of this white wine lies in its complex aromatic palette, blending vibrant citrus, subtle white fruits and fresh red berries. The palate is structured and rich with subtle tannins, culminating in a beautifully refreshing finish.
