

Jas du Bouquet, AOC Vacqueyras, Rouge, 2018

AOC Vacqueyras, Vallée du Rhône, France

PRESENTATION

Jas du Bouquet is located at the foot of the Dentelles de Montmirail in a former sunny, untamed garrigue. This vineyard has been in the same family for over 60 years. A love for viticulture has been handed down from generation to generation, and this comes through in the quality of the wine. Its rich complexity and balance reflect the Manganelli's passion for their terroir.

TERROIR

This Vacqueyras's rich taste comes from clay soil.

WINEMAKING

Our cellar master tastes the grapes from each plot and makes a rigorous selection to ensure that your wine comes from the best fruit. Low yields give this Vacqueyras excellent concentration. The subtle combination of traditional winemaking methods and modern technology enables this wine to fully express its terroir.

VARIETALS

Grenache noir, Syrah

TASTING

This wine's very aromatic bouquet is redolent of spices and blackcurrant. It is very long on the palate, with hints of black fruit, liquorice, and spices.

FOOD PAIRINGS

Domaine Mas du Bouquet is ideal with roast milk-fed lamb with savory, or simply grilled rib of beef with sea-salt.
