

Terroir Daronton, AOC Cairanne, Rouge, 2021

AOC Cairanne, Vallée du Rhône, France

PRESENTATION

Bringing together 388 artisan winegrowers family in the heart of the Dentelles de Montmirail, Rhonéa produces a wine from one of the richest winegrowing terroirs in the Rhone, called Daronton, the name of the family who first planted the vineyard three generations ago. Formed by ice volcanoes 60 million years ago, the Dentelles de Montmirail comprise a patchwork of evaporate, blue clay, and limestone that give the wines a powerful, elegant, and deep flavour profile. The layers of sediment found several kilometres down rise to the surface here to form a terroir unlike any other in the world.

The Cradle of The Rhône

"Quite a full red; the nose has a certain brightness, black olives and ripe black cherry fruit, an assured depth. The palate bears tasty, smooth fruited content, with a pleasing elegance into a well calm finish, where the tannins tighten with precision. This has typical, true Cairanne style, is a bonny glass, a w.o.w. wine suited to a good range of dishes..."
