AOC Vacqueyras, Vallée du Rhône, France

## **PRESENTATION**

Bessons Dupré represents the authenticity and generosity of the Vacqueyras wines. The old vines of Grenache flourish on the stony « Plateau des Garrigues » , one of the best terroir of the appellation. It reveals a fresh and aromatic wine with notes of black fruits, liquorice and spices.

## **TERROIR**

The old vines on stony plateaux and garrigue take advantage of the vineyard's abundant sunshine.

## **WINEMAKING**

Our cellarmaster tastes the grapes from each plot and makes a rigorous selection to ensure that your wine comes from the best fruit. Winemaking methods combine the best of tradition and modernity.

#### AGFING

Eight to ten months' ageing develops complexity and powerful aromas.

## **VARIETALS**

Grenache noir, Syrah, Mouvèdre

## **SERVING**

Best served at 16-18 °C. Enjoyable now, but will express its full potential in the next 4 years.

## **TASTING**

This wine's very aromatic bouquet is redolent of spices and blackcurrant. It is also very long on the palate, with hints of black fruit, liquorice, and spices.

# **FOOD PAIRINGS**

Bessons Dupré is ideal with leg of lamb roasted with herbes de Provence, a nice vegetable casserole or rabbit in mustard sauce.
