

## Terroir Daronton, Gigondas, Rouge, 2023

AOC Gigondas, Vallée du Rhône, France

### PRESENTATION

Originating from 13 names... those of the thirteen founders who came together and gathered a team of expert winemakers to create a trusted signature for Rhone Valley wines. As a tribute to their work, the name DARONTON was born from a blend of parts of their names.

### THE VINTAGE

2023 was full of contrast! Warm temperatures at the beginning of winter, then a return to normalcy until February; Spring was characterized by a persistent drought and strong wind, followed by regular rainfall until the end of June. Our winegrower partners have worked a lot in the vineyards to preserve the grapes. At the beginning of the harvest, berries were healthy and well-ripened, promising one of the finest vintages of the past decade.
