

Terroir Daronton, AOC Ventoux, Blanc, 2023

AOC Ventoux, Vallée du Rhône, France

PRESENTATION

"Originating from 13 names... those of the thirteen founders who came together and gathered a team of expert winemakers to create a trusted signature for Rhone Valley wines. As a tribute to their work, the name DARONTON was born from a blend of parts of their names."

TERROIR

Terroir Daronton Ventoux is made from grapes grown on three different types of soil, which explain its unique personality and suave flavour: hills with light sandy soil, slopes with zaffer, a mix of sandstone and sand sediment, and a terrace of fallen rocks propitious to winegrowing.

WINEMAKING

The grapes are cooled to retain their colour and fresh fruit aromas. They undergo a short maceration before pressing. Alcoholic fermentation takes place in temperature-controlled stainless steel vats. The wine is aged in vat for a short while before bottling.
