

Nos Villages by Rhonéa - Le Pont, AOC Côtes du Rhône Villages Vaison la Romaine, Rouge, 2023

AOC Côtes du Rhône Villages Vaison la Romaine, Vallée du Rhône, France

PRESENTATION

Still standing after more than 2,000 years, the bridge at Vaison-la-Romaine is the village's pride and joy. The architectural balance, the monument's strength in the face of the elements and its longevity are like the wines: intense and long. Their freshness rivals that of the Ouvèze which runs down there and comforts visitors with its rattling so harmless in appearance. Let's be wary of this "Roman" cuvée and its all-hidden power.
