

Terroir Daronton, Ventoux, White, 2022

AOC Ventoux, Vallée du Rhône, France

PRESENTATION

Originating from 13 names... those of the thirteen founders who came together and gathered a team of expert winemakers to create a trusted signature for Rhone Valley wines. As a tribute to their work, the name DARONTON was born from a blend of parts of their names.

THE VINTAGE

Between heat and drought, the weather conditions have been challenging again this year. However, thanks to the remarkable resilience of our vines and the dedicated efforts of our Artisan Winegrowers and technical staff, the 2022 vintage promises to be of outstanding quality.

TERROIR

Terroir Daronton Ventoux is made from grapes grown on three different types of soil, which explain its unique personality and suave flavour: hills with light sandy soil, slopes with zaffer, a mix of sandstone and sand sediment, and a terrace of fallen rocks propitious to winegrowing.

WINEMAKING

The grapes are cooled to retain their colour and fresh fruit aromas. They undergo a short maceration before pressing. Alcoholic fermentation takes place in temperature-controlled stainless steel vats. The wine is aged in vat for a short while before bottling.
