

Domaine Pertiane - Les Safres, AOC Vacqueyras, Rouge, 2023

AOC Vacqueyras, Vallée du Rhône, France

PRESENTATION

Owned by the Bres family for three generations, Domaine la Pertiane has more than 25 hectares of old Grenache and young Syrah vines. The vines grow on slopes at the foot of Safre Hill, where former quarries bear witness to the area's outstanding geological complexity. This sandy terroir blended with river stones produces an unusual wine that is voluptuous in a unique way. It is managed and certified "Demeter-Biodynamic".

THE VINTAGE

2023 was a year full of contrasts: warm temperatures at the end of December and beginning of January raised concerns about early budding; a return to normalcy continued until February with relatively cool weather; a persistent drought accompanied by a strong Mistral wind, followed by regular rainfall until the end of June. Thanks to constant vigilance in the vineyards, the berries were healthy and well-ripened when harvest started, promising one of the finest vintages of the past decade.
