

Rouge Frisson, Vin de France, Red, 2024

France

PRESENTATION

Forget everything you know about red wine! With its vibrant freshness and fruity notes, Rouge Frisson is best enjoyed around 10°C. Chill the bottle, and the cat will let you know when the wine is ready! This lively and delicious red is a perfect match for today's cuisine & casual get-togethers (NB : be assured that no cats were armed during winemaking!)

THE VINTAGE

2024 has been full of weather challenges. Spring brought disease pressure, summer droughts reduced yields, and heavy rains in September added to the difficulties. Even so, the great quality of the wines reflects the skill, dedication, and great adaptability of our Artisans winegrowers and winemakers.

TERROIR

Soil of rolled pebbles and limestone.

WINEMAKING

A shorter maceration, combined with less pigmented and less tannic grape varieties, helps reduce the tannin content, softens the astringency on the palate, and highlights the liveliness and freshness of the fruity aromas.

VARIETALS

Syrah, Grenache noir, Merlot

Contains sulphites.

SERVING

10-12°C

TASTING

Beautiful freshness of fruity and floral aromas, offering a refreshing and easy-to-enjoy flavor profile.
