

Les Régionaux - Terroir Daronton, Sans Alcool, Vin de France, Rouge, 2023

Vin de France, VSIG, France

Lightness has a name: Daronton!

PRESENTATION

As trusted signature of Rhône Valley wines, Terroir Daronton is also the answer for consumers seeking the joy of wine, without the alcohol.

THE VINTAGE

2023 was full of contrast! Warm temperatures at the beginning of winter, then a return to normalcy until February; Spring was characterized by a persistent drought and strong wind, followed by regular rainfall until the end of June. Our winegrower partners have worked a lot in the vineyards to preserve the grapes. At the beginning of the harvest, berries were healthy and well-ripened, promising one of the finest vintages of the past decade.

WINEMAKING

Grapes are harvested at optimum maturity & vinified like a classic red wine. Dealcoholization is carried out at the end of fermentation through cold distillation. We add no external elements, to preserve the colour and aromas of the wine.

SERVING

Enjoy chilled (12-14°C) and keep 3 days max in the fridge. To be opened within the year to best enjoy its fruity aromas

TASTING

A red crafted for your balance: pure fruit, vibrant, and refreshingly alive. Zero alcohol, high on pleasure—cheers to your well-being without compromise. Enjoy it as you live: free and authentic. What if your body could thank you too?
