Rhonea - Our Single Vineyards Selection - La Beaume, AOC Beaumes de Venise, Rouge, 2019

AOC Beaumes de Venise, Vallée du Rhône, France

«Our Single Vineyard Selections» highlight the most beautiful terroirs of our Artisans Vignerons: old vines, geological singularities, specific exposure & altitudes... On each appellation, the excellence of our know-how is expressed in the rigorous selection of plots, precise vinification and ageing to deliver wines of great potential.

PRESENTATION

Grenache and Syrah reveal an impressive aromatic complexity between red fruits, cocoa and liquorice as well as concentrated tannins.

THE VINTAGE

As 2018, 2019 appears to be quite an exceptional vintage. The winter was unusually mild with balmy temperatures continuing into a dry spring. April and May experienced colder temperatures that luckily slowed vine growth. After a very hot month of June and rather high temperatures in July and August, the harvest started in September under perfect conditions.

LOCATION

Average age of the vines : 35 years.
Altitude of the Vineyard : 250 mètres.

TERROIR

Located north of the village of Lafare, the La Beaume terroir (Farisiens) primarily consists of oxfordian black marl dating from the Upper Jurassic period (140-150 million years B.C.).
