

Rhonéa - Castellas, Vacqueyras, Red, 2023

AOC Vacqueyras, Vallée du Rhône, France

PRESENTATION

RHONÉA, as the name suggests, is the trusted choice for Rhône Valley wines. Our Artisans winegrowers & winemakers have been committed since 1925 to bring you the best from our vineyards & let you taste more than just wine, but the quality & authenticity of our terroirs.

THE VINTAGE

2023 was a year full of contrasts: warm temperatures at the end of December and beginning of January raised concerns about early budding; a return to normalcy continued until February with relatively cool weather; a persistent drought accompanied by a strong Mistral wind, followed by regular rainfall until the end of June. Thanks to constant vigilance in the vineyards, the berries were healthy and well-ripened when harvest started, promising one of the finest vintages of the past decade.

TERROIR

The vines are located on the "Plateau des Garrigues" between Vacqueyras & Sarrians. On alluvial deposits and clay-limestone soils.
