## Elicio, 100% Rolle, IGP Méditerranée blanc 2025

IGP Méditerranée, France

### PRESENTATION

Fresh, fruity, and approachable in every sense, Elicio wines resonate with the times and our desire for immediacy. They come in screw cap bottles for their ease of use, but primarily for their effectiveness in keeping intact the flavors revealed by the meticulous winemaking carried out by Alexis, our Winemaker.

### LOCATION

This year has been particularly unpredictable in terms of weather. From the pressure of spring diseases to summer droughts affecting yields, and heavy rains in September, our partner winegrowers have faced significant challenges. Thanks to their expertise and adaptability, they succeeded in harvesting grapes of outstanding quality, paving the way for an exceptional vintage in the Rhône Valley.

### TERROIR

The Rolle grapes - also known as "Vermentino" - flourish on sunbathed plots, meticulously selected between the "Mont Ventoux" and the famous "Dentelles de Montmirail".

### WINEMAKING

Harvest takes place just before dawn to preserve the fresh and fruity aromas. Grapes are destemmed and pressed directly with a short maceration for 6 to 8 hours. Alcoholic fermentation at low temperature. Then the wines rest on fine lees at cold temperatures before early bottling.

### VARIETAL
